Dear Mr. Bill Johnson,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- [Docket No. 2018-358-WS](#) - Verified Application of Carolina Water Service, Incorporated for Approval of Annual Rate Adjustment Mechanisms and Petition for an Accounting Order to Defer Expenses

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

Subject: [External] Blue Granite Water

I am a member of the Summerhouse community Lake Wylie SC. No way should Blue Granite expect, get, or be given the ability to raise rates. Water restrictions, muddy water, broken pipes. Rather than a raise new management is needed. Last year when the water company was Carolina Water there were no problems. Management changed, I think, now the company has gone to pot. BG tells me my two person household has used 16% more water this year than last. Last year I watered my yard quite often, not this year. Go figure. Until BG gets their act together no raise no way. This past month BG sent a letter that they we would attempt to tie into Charlotte water if approved, but this would not increase rates. Who would even begin to believe that tale. Yet here we are a short time later wanting a raise, Not right. W>E> Johnson
